

Welcome to your February Professional Development!

By following the professional expectations listed below we will be able provide effective and engaging trainings that are aligned to district and school standards:

- Silence all phones and put them away. 5 minute breaks will be provided throughout the day for you to check your digital communications.
- Be present for the whole training.
- Be an active participant.
- Stay on task.
- Respect opinions from your colleagues.
- Keep sidebar conversations to an absolute minimum.
- Comments and questions should be beneficial for the whole group. Any individualized scenarios/comments/questions can be put in the parking lot to be addressed following the trainings.

All PowerPoints and resources that are used during these trainings will be available on our HEMS #237 SharePoint Site

All Participants			
Time	Location	Facilitator	Topic
8:15 – 8:55	Library	Principal Ashley & Miss Ward	School Climate
